

Kindermusik Village (ages newborn-18 months)

This class is a place where life's merry-go-round slows down to let you and your child share in the magical moments that happen through music, movement, touch and sounds. Through a variety of engaging activities in which you interact with your child at his/her own developmental level, you will be given a peek inside your child's miraculous little body and brain. These moments of discovery will help you to understand how with every tune and rhyme, with every tickle and whisper, with every song and peek-a-boo, you help unfold your baby's natural gifts. Curriculums for this semester will be **"Zoom Buggy and Dream Pillow"**. (45 minute class- parents attend the entire class) Only siblings under the age of 6 months may attend. Materials: 2 sets-Digital Music, book (Zoom Buggy and Dream Pillow) and instrument in each set.

August 12th - November 25th

Kindermusik Our Time (ages 18 months-3 years old)

Our Time encourages toddlers to uncover an engaging musical world while building confidence, self-control and communication skills. **Milk and Cookies**, our theme for this fall makes everyday home activities and chores easier and more fun with music! Cook and sing to "The Muffin Man"; dust and clean to "In My House"; and get ready to wash clothes to the delightful poem "Washing Machine". Baking cookies, eating pretend cupcakes, blowing on hot cross buns, wiggling like jelly, going grocery shopping and making tea are all represented in familiar as well as new songs. Forty-five minute class-parents attend the entire class. Only siblings under the age of 6 months may attend. Materials include: Digital music, 2 books (At My House and Cookies) and stir xylophone.

Kindermusik Imagine That (ages 3-5 years old)

Imagine That allows us to capture the child's attention, nurture the budding creativity and individuality, and enhance the overall learning process. This is accomplished through a remarkable blend of music, singing, movement, literature and imagination. This curriculum has been created to take Imagine That a giant step beyond other pre-school music programs. In addition, storytelling is incorporated to encourage literacy skills. Listening skills will be developed far beyond simply listening to an isolated sound. We will discover many things about the musical weather as **"Hello Weather, Let's Play Together"** will be the curriculum for the fall session. (45 minute class-parents attend the last 15 minutes-siblings may also attend with parents) Materials include: Digital Music, 2 Books: Michael Finnigan and Hurry Home Little Kittens, Ankle Bells, Rain Shaker, parent guide, and backpack.

Kindermusik Musicians 1 (5-7)

Everything your child learns later in semesters 2,3,4 begins with this early introduction to singing, reading, writing and playing rhythm and music. Through various activities that focus on rhythmic and ensemble development as well as note reading skills, we'll learn a keyboard instrument—the glockenspiel—which will be used throughout all the Kindermusik Musicians classes. Materials include: Glockenspiel, songbook, folder, daily handouts and digital music. (55 minute class-Parents attend the last 10 minutes)

Kindermusik Musicians 3 (6-7)

We will continue to build our playing and singing vocabulary with the glockenspiel, but will add the two-string dulcimer as Appalachian music is a featured musical style this semester. We will continue our musical note and rhythm reading skills and discover the difference between 3 and 4 beat meters. We will also be exploring the music of the Nutcracker Suite, Benjamin Britten's songs of the sea and other musical concepts. Materials include: dulcimer, digital music, songbook, folder, and daily activity sheets. This is a 55 minute class. Parents attend the last 10 minutes.
