Carnival of Music! Children are natural music makers. They hum while they play, sing along with songs, and can make almost anything into a drum. In this curriculum, you will see a lot of different instruments and also learn all about the carnival through sounds, stories, songs and music games. So, step right up-we're off to the Carnival of Music! Students will also get to make a carnival craft and enjoy a carnival snack during each class. Materials include digital music access, story/activity book, and instrument. (90 min class-parents attend the last 30 min for our craft time.) Siblings may attend the last 30 minutes.
