

August 11th - November 24th

### Kindermusik Village (ages newborn-18 months)

This class is a place where life's merry-go-round slows down to let you and your child share in the magical moments that happen through music, movement, touch and sounds. Through a variety of engaging activities in which you interact with your child at his/her own developmental level, you will be given a peek inside your child's miraculous little body and brain. These moments of discovery will help you to understand how with every tune and rhyme, with every tickle and whisper, with every song and peek-a-boo, you help unfold your baby's natural gifts. Curriculums for this semester will be **"Feathers and Do Si Do"**. (45 minute class- parents attend the entire class) Only siblings under the age of 6 months may attend with enrolled child. Materials: 2 sets-Digital Music, book and instrument in each set.

### Kindermusik Our Time (ages 18 months-3 years old)

Our time encourages toddlers to uncover an engaging musical world while building confidence, self-control and communication skills. It provides a wonderful musical environment that capitalizes on each child's enormous potential to learn. It also helps parents engage children in new and exciting ways through such activities as instrumental exploration, vocal play, movement, and story-time. Opportunities abound in each 45 minute class for parents to take the lead and enjoy playing, dancing, listening and singing with their child in their own special way. **"Wiggles and Giggles"** will be the curriculum for this semester: (This is a 45 min class. Parents attend the entire class). Only siblings under the age of six months may attend with enrolled students. Materials include music download, 2 books (Pete and PJ, and Watch Me) and a pair of sand blocks.

### Kindermusik Imagine That (ages 3-5 years old)

Imagine That allows us to capture the child's attention, nurture the budding creativity and individuality, and enhance the overall learning process. In **"Imagine That: See What I Saw"** preschoolers will use their real experience of playing in the park to create imaginative, storytelling scenarios with music, go on an imaginary trip to Grasshopper park where they sail down the park slide and then recreate the sound of that experience with a long vocal glissando. Each week provides preschoolers an uninterrupted session of imaginative play that's guided in a very specific, sequential way. (This is a 45 minute class. Parents attend the last 15 minutes). Materials include music download, 2 books ("Can You Find Me" and "The Ant Picnic Feast") parent guide, and instrument.

### Kindermusik Musicians 1 (5-7)

Everything your child learns later in semesters 2,3,4 begins with this early introduction to singing, reading, writing and playing rhythm and music. Through various activities that focus on rhythmic and ensemble development as well as note reading skills, we'll learn a keyboard instrument—the glockenspiel—which will be used throughout all the Kindermusik Musicians classes. Materials include: Glockenspiel, songbook, folder, daily handouts and digital music. (55 minute class-Parents attend the last 10 minutes)

### Kindermusik Musicians 3 (6-7)

We will continue to build our playing and singing vocabulary with the glockenspiel, but will add the two-string dulcimer as Appalachian music is a featured musical style this semester. We will continue our musical note and rhythm reading skills and discover the difference between 3 and 4 beat meters. We will also be exploring the music of the Nutcracker Suite, Benjamin Britten's songs of the sea and other musical concepts. Materials include: dulcimer, digital music, songbook, folder, and daily activity sheets. This is a 55 minute class. Parents attend the last 10 minutes.
