

# Kindermusik with Julie 2025 Summer Session

June 2nd – July 4th  
5 Weeks

## 0-18 months “Busy Days”

In five lessons, learn new songs, lullabies, and ways to stimulate babies’ eyes, body and mind through music. This adventure camp incorporates classical and traditional music into babies’ daily activities such as going to the grocery store, the playground, family picnic, doctor and the beach. Parents connect with other newborns and families in the community as well and learn how music improves the child’s development process. Parents attend the entire class with their child. (no siblings over 6 months of age are allowed to attend.)  
Materials include: Digital Download, Busy Days Book, and instrument.

## 18 months - 3 years old “Beach Days”

Grab your beach ball! We’re going to the beach! Crabs are scuttling, toes are wiggling, waves are crashing, and the sun is shining. We will enjoy favorite songs and dances, do an octopus hula, jump on a banana boat, and then snuggle up and happily relax to gentle beach sounds and songs. Beach Days is as fun and restorative as...well, a trip to the beach. (45 min class–Parents attend the entire class with their child. No siblings over 6 months.)Materials include: Digital Download, Book, and instrument.

## 3-5 years old “On the Road”

Back again this summer by popular demand! Five lessons feature music, stories, snacks and crafts. This camp makes the most of a preschooler’s imagination and an ability to learn more words and solve problems. Take imaginary trips to summer vacation locations such as the fair, a summer cottage, camping and the beach. Parents also learn more about how music improves a preschooler’s ability to think, reason, create and express. Materials include a special literature book featuring “Van Go” the imaginary road tripping van preschooler’s will ride over the summer, digital download, and instrument. (90 min class–parents join us for the last 30 minutes to share in an art project) Siblings may attend the last 30 minutes with parents.

## 5-7 years old “Rhythms of the Land”

Rhythms of the Land! Your 5–7 year old loves drums! Your child will learn to play basic music rhythms on the drums and other instruments. We will sing, chant, and learn to move expressively. We will explore the difference between beat and rhythm, as we explore the diversity of Native American cultures, music styles, and percussion instruments. Students will also get to make an instrument craft each day along with a small quick snack. Materials include Digital music download, 8” drum pad, book. 90 minute class, parents do not attend.
