Winter/Spring 2022 Class Schedule

Kindermusik Village (ages newborn-18 months) is a place where life's merry-go-round slows down to let you and your child share in the magical movements that happen through music, movement, touch and sounds. Through a variety of engaging activities in which you interact with your child at his/her own developmental level, you will be given a peek inside your child's miraculous little body and brain. These moments of discovery will help you to understand how with every tune and rhyme, with every tickle and whisper, with every song and peek-a-boo, you help unfold your baby's natural gifts. Curriculums for this semester will be "Cockle-Doodle-Moo and Dew Drops". (45 minute class- 2 sets of materials. Each set includes CD download, book, pictures and instruments. Only enrolled children may attend.

This curriculum has been created to take Imagine That a giant step beyond other preschool music programs. In addition, storytelling is incorporated to encourage literacy skills. Listening skills will be developed far beyond simply listening to an isolated sound.
